## Chart of Opportunities and Fees

360<sup>W</sup>

**We've done the heavy lifting to put all the pieces in place.**

USWCC | MarketPlace leverages several different types of e-commerce platforms to provide opportunities for our members including: retail, wholesale/resale, suppliers, project/service providers, benefits programs and group purchasing. Below is a chart detailing the types of e-commerce opportunities available through USWCC | MarketPlace along with the membership levels required and details of modest additional fees.

Store/Portal Type	Eligible USWCC   Membership Levels		Additional Fees
	Small Biz Member \$195/year	Supplier Member \$395/year	
<b>USWCC   Mall Retail Stores<sup>1</sup></b>	X	X	<ul style="list-style-type: none"> <li>• \$100 setup fee (one time)</li> <li>• Modest monthly fees (typically less than \$25/month plus per transaction fees) for gateway and merchant processing all at specially negotiated wholesale prices for USWCC members.</li> </ul>
<b>Benefits+ Retail Benefits Mall<sup>1,3</sup></b> (must be selected to qualify)	X	X	
<b>ProjectPlace Unique Web Portals with Portfolio Display<sup>2</sup></b>	X	X	
<b>USWCC   Supplier Place Wholesale Stores<sup>1</sup> Supplier Stores<sup>1</sup></b> (for govt & supplier diversity related sales)		X X	<ul style="list-style-type: none"> <li>• \$100 setup fee (one time)</li> <li>• Modest monthly fees (typically less than \$25/month plus per transaction fees) for gateway and merchant processing all at specially negotiated wholesale prices for USWCC members.</li> <li>• All socio-economic claims will be verified at \$99 each (every 2 years)</li> </ul>
	<b>Group Purchasing</b>		
			• TBA

1 - All "stores" are driven using one web-technology platform enabling our members that may participate in both retail and wholesale offerings to manage their store using one administrative interface. 2 - ProjectPlace is a unique buyer/provider platform enabling providers to showcase their services and buyers to promote Request For Proposals within the system. 3 - Benefits+ is strictly by selection.
